2, rue du Fossé
L-1536 Luxembourg

We have audited the accompanying annual accounts of Elenia Finance (SPPS) S.à r.l., which comprise the balance sheet as at 31 December 2016 and the profit and loss account for the year then ended, and a summary of significant accounting policies and other explanatory information.

Board of Managers responsibility for the annual accounts

The Board of Managers is responsible for the preparation and fair presentation of these annual accounts in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the annual accounts and for such internal control as the Board of Managers determines is necessary to enable the preparation and presentation of annual accounts that are free from material misstatement, whether due to fraud or error.

Responsibility of the "réviseur d'entreprises agréé"

Our responsibility is to express an opinion on these annual accounts based on our audit. We conducted our audit in accordance with International Standards on Auditing as adopted for Luxembourg by the "Commission de Surveillance du Secteur Financier". Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the annual accounts are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the annual accounts. The procedures selected depend on the judgment of the "réviseur d'entreprises agréé", including the assessment of the risks of material misstatement of the annual accounts, whether due to fraud or error. In making those risk assessments, the "réviseur d'entreprises agréé" considers internal control relevant to the entity's preparation and fair presentation of the annual accounts in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Managers, as well as evaluating the overall presentation of the annual accounts.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

NOTE 2 - GOING CONCERN

A fundamental principle of the preparation of annual accounts in accordance with the Luxembourg legal and regulatory requirements relating to the preparation and presentation of annual accounts is the assumption that the entity will continue in existence as a going concern, which contemplates continuity of operations and the realization of assets and settlement of liabilities occurring in the ordinary course of business. This principle is applicable to all entities except for entities in liquidation or entities for which liquidation appears imminent. In accordance with this requirement, the Board of Managers' policy is to prepare the Company's annual accounts on a going concern basis unless it intends to liquidate or has no other alternative but to liquidate.

For the year ended 31 December 2016, the Company has incurred a loss of EUR 257,259,052.63 and has cumulative losses brought forward of EUR 1,055,406,052.27 which is due to the value adjustment of an amount of EUR 257,223,000.00 (2015: EUR 75,000,000.00) recorded on the value of Subordinated Profit Participation Securities issued by Elenia Holdings S.à r.l. and subscribed by the Company. Consequently, the going concern of the activities of the Company is dependent on its future cash flows and profitable operations, as well as the continuous financial support from its Sole Shareholder.

On 3 January 2017, the Sole Shareholder of the Company confirmed that it will make available all such financial resources as are necessary to enable the Company to continue its normal operating activities and to meet its financial obligations as they arise.

The Board of Managers has therefore prepared these annual accounts under the assumption that the Company will continue on a going concern basis.
