Independent auditor's report

To the Board of Managers of
Elenia Holdings S.à r.l.
20, Boulevard Royal
L-2449 Luxembourg

Opinion

We have audited the financial statements of Elenia Holdings S.à r.l. (Formerly known as Lakeside Network Investments S.à r.l.) (the "Company"), which comprise the balance sheet as at 31 December 2021, and the profit and loss account for the year then ended, and the notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 31 December 2021, and of the results of its operations for the year then ended in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the financial statements.

Basis for Opinion

We conducted our audit in accordance with the Law of 23 July 2016 on the audit profession (the "Law of 23 July 2016") and with International Standards on Auditing ("ISAs") as adopted for Luxembourg by the "Commission de Surveillance du Secteur Financier" ("CSSF"). Our responsibilities under the Law of 23 July 2016 and ISAs as adopted for Luxembourg by the CSSF are further described in the "responsibilities of the "réviseur d'entreprises agréé" for the audit of the financial statements" section of our report. We are also independent of the Company in accordance with the International Code of Ethics for Professional Accountants, including International Independence Standards, issued by the International Ethics Standards Board for Accountants ("IESBA Code") as adopted for Luxembourg by the CSSF together with the ethical requirements that are relevant to our audit of the financial statements, and have fulfilled our other ethical responsibilities under those ethical requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Board of Managers for the financial statements

The Board of Managers is responsible for the preparation and fair presentation of these financial statements in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the financial statements, and for such internal control as the Board of Managers determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Managers is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Managers either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Responsibilities of the “réviseur d'entreprises agréé” for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a report of the “réviseur d'entreprises agréé” that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Law of 23 July 2016 and with ISAs as adopted for Luxembourg by the CSSF will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

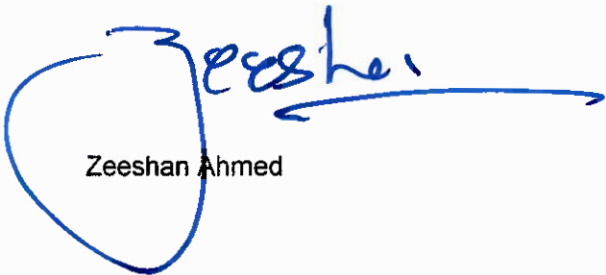

As part of an audit in accordance with the Law of 23 July 2016 and with ISAs as adopted for Luxembourg by the CSSF, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Managers.
- Conclude on the appropriateness of Board of Managers' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our report of the “réviseur d'entreprises agréé” to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our report of the “réviseur d'entreprises agréé”. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Elenia Holdings S.à r.l. (formerly Lakeside Network Investments S.à r.l.)
Notes to the annual accounts as at December 31, 2021

1. General information

Elenia Holdings S.à r.l. (formerly Lakeside Network Investments S.à r.l.) (hereafter the "Company") was incorporated on November 23, 2011 and is organised under the laws of Luxembourg as a Société à Responsabilité Limitée for an unlimited period of time, subject to general company law.

The Company's registered office is 20 Boulevard Royal, L-2449 Luxembourg.

The Company's financial year begins on January 1st and ends on December 31st each year.

On August 24, 2021, the Company changed its name from "Lakeside Network Investments S.à r.l." to "Elenia Holdings S.à r.l.".

The main activity of the Company is (i) the holding of participations, whether direct or indirect through directly or indirectly owned subsidiaries, in any form whatsoever, in Luxembourg and foreign companies, the acquisition by purchase, subscription, or in any other manner as well as the transfer by sale, exchange or otherwise, of stocks, bonds, debentures, notes, and other securities of any kind, equity or debt instruments (convertible or not) of any kind (including but not limited to synthetic securities), and (ii) the ownership, administration, development and management of its portfolio. The Company may also hold interests in partnerships.

The Company may borrow in any form and proceed to the issue of bonds, debentures as well as any other type of equity or debt instruments (convertible or not, preferential or not, redeemable or not).

In a general fashion it may grant, directly or indirectly, assistance to affiliated or group companies (including but not limited to the granting of any type of loan), take any controlling and/or supervisory measures and carry out any operation, which it may deem useful in the accomplishment and development of its purposes.

In particular, the Company may enter into any guarantee, pledge or any other form of security, whether by personal covenant or by mortgage or charge upon all or part of the property assets (present or future) of the undertaking or by all or any of such methods, for the performance of any contractor obligations of the Company and of any of its affiliated or group companies, or any director, manager or other agent of the Company or any of its affiliated or group companies, within the limits of any applicable law provision.

The Company may enter into any kind of credit derivative agreements, including but not limited to any type of swap agreements such as swap agreement under which the Company may provide credit protection to swap counterparty, any interest and/or currency exchange agreements and other financial derivative agreements.

The Company may further carry out any commercial, industrial or financial operations, as well as any transactions on real estate or on movable property. In addition, the Company may act as general partner of any of its subsidiaries and take all necessary or useful actions on their behalf if so required by the law applicable to such subsidiaries.

1. General information (cont. and end)

Based on the criteria defined by the Luxembourg law, the Company is exempted from the obligation to draw up consolidated accounts and a consolidated management report for the year ended December 31, 2021. Therefore, in accordance with the relevant legal provisions, these annual accounts are presented on an unconsolidated basis to be approved by the shareholders during the Annual General Meeting.

In order to benefit from this exemption, the Company is included in the consolidated financial statements of its indirect parent company, Elton Investments S.à r.l. ("Elton"). The registered office of Elton is located at 20 Boulevard Royal, L-2449 Luxembourg and a request to obtain these financial statements can be made at the above-mentioned registered office and at the Luxembourg Business Register.

2. Summary of significant accounting policies

2.1 General principles

The annual accounts are prepared in accordance with the Luxembourg legal and regulatory requirements under the historical cost convention and according to generally accepted accounting principles applicable to commercial companies in Luxembourg. The accounting policies and valuation principles are, apart from those enforced by the law, determined and implemented by the Company's management ("Management").

The preparation of annual accounts requires the use of certain critical accounting estimates. It also requires Management to exercise its judgement in the process of applying the accounting policies. Changes in assumptions may have a significant impact on the annual accounts in the year in which the assumptions changed. Management believes that the underlying assumptions are appropriate and that the annual accounts therefore present the financial position and results fairly.

The Company makes estimates and assumptions that affect the reported amounts of assets and liabilities in the next financial year. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

2.2 Significant accounting policies

The significant accounting policies of the Company can be summarised as follows:

2.2.1 Formation expenses

The formation expenses of the Company are directly charged to the profit and loss account of the year in which they are incurred.

2. Summary of significant accounting policies (cont.)

2.2.2 Financial assets

Shares in affiliated undertakings are valued at their historical acquisition cost, including incidental costs of acquisition.

Amounts owed by affiliated undertakings are valued at their nominal value.

If Management determines that a durable impairment has occurred in the value of a financial asset, a value adjustment is made in order to reflect that loss. These value adjustments are not continued if the reasons for which they were made have ceased to apply.

2.2.3 Debtors

Debtors are recorded at their nominal value. A value adjustment is made when their recovery is partly or completely in doubt. These value adjustments are not continued if the reasons for which they were made have ceased to apply.

2.2.4 Foreign currency translation

The books of the Company are maintained in EUR.

All transactions expressed in another currency than EUR are translated to EUR at the exchange rate prevailing at the transaction date.

Formation expenses and financial assets expressed in a currency other than EUR are translated to EUR at the exchange rate prevailing at the transaction date. At the balance sheet date, these financial assets are maintained at their historical exchange rate.

Cash at bank and other cash equivalents are translated at the exchange rate prevailing at the balance sheet date. Exchange gains and losses resulting from this conversion are accounted for in the profit and loss account for the year.

Other assets and liabilities are valued individually at the lower or the higher, respectively, of their value at the historical exchange rate or at their value determined at the exchange rate prevailing at the balance sheet date. Only the unrealised exchange losses are accounted for in the profit and loss account. Realised exchange gains and losses are accounted for in the profit and loss account at the date of the transaction.

In the case where there is an economic link between a current asset and a current liability, the respective asset and liability are translated in total and only the unrealised net exchange loss is accounted for in the profit and loss account.

2. Summary of significant accounting policies (cont. and end)

2.2.5 Creditors

Creditors are recorded at their historical value. Any interest payable on loans is accounted for in the profit and loss account in the year in which it becomes payable.

2.2.6 Other creditors - Tax authorities

This item includes the tax liability estimated by the Company for the financial years for which the Company has not been assessed yet. The advance payments are disclosed in the assets of the balance sheet under "Other debtors".

2.2.7 Going concern

During December 2019, a new virus ("Covid-19") emerged in China and infections started to occur across Asia and latterly the rest of the world in the beginning of 2020. On March 11, 2020, the World Health Organisation ("WHO") declared Covid-19 a pandemic and national governments have acted to implement a range of policies and actions to combat the virus and its economic impact to national markets and the global economy.

Management has assessed the impact on the annual accounts as of December 31, 2021 and has concluded Covid-19 impact is not impacting the going concern of the Company.

Elenia Holdings S.à r.l. (formerly Lakeside Network Investments S.à r.l.)
Notes to the annual accounts as at December 31, 2021

3. Financial assets
